work@abhinav-joshi.com

Abhinav Joshi is an accomplished cinematographer and colorist with extensive professional experience spanning narrative films, music videos, and commercial campaigns. With a robust foundation established within Mumbai's film industry and advanced training completed in Los Angeles, Mr. Joshi employs a naturalistic visual approach combined with sophisticated emotional storytelling techniques in his cinematographic work.

Throughout his distinguished career, he has collaborated on projects for prominent platforms including Netflix, Disney+ Hotstar (now JioCinema), and Snapchat India.

His diverse portfolio encompasses a broad spectrum of genres, ranging from high-concept science fiction to grounded dramatic narratives.

He currently serves as Chief Technology Officer at BGM Film, where he continues to advance the intersection of technology and cinematic artistry through his leadership and technical expertise.
